

## **VeneziaPortaEst: The taxi firm recommended by Union Lido.**

Thanks to over 10 years working relationship with VeneziaPortaEst, the most important Taxi firm in the Venice area. Union Lido offers it's guests the possibility to re book their own transfer from the Venice "Marco Polo" (VCE) Airport and the Treviso (TSF) Airport to Union Lido and viceversa, benefitting from the special prices for an **all inclusive service** that includes:

- **welcoming for arrivals at the Venice and Treviso airport:** on behalf of the driver with a sign with your name on it, waiting directly in the arrivals hall for you, outside the baggage claim. You will then be accompanied to your taxi. The driver will wait for you **in the arrivals lounge even if your flight is late, and without charging any extra.**
- a "**Welcoming Bag**" will be given you as soon as you arrive at the airport; in the bag you'll find cool drinks, refreshing towels, sweets and some gifts for the younger guests.
- depending on the gates and opening hours at the airport, once you have reached your destination you will not be left outside with all your luggage, **but accompanied inside directly to your accommodation.**
- When you are due to leave and once you have reached the airport, **the driver will make sure you get to your check in desk on time** by accompanying you there.
- **any baby seats needed can be requested and put into the vehicles before hand**, so that even the smaller passengers can travel in complete safety and comfort.
- for larger families we have a **Minibus Mercedes that can hold up to 8 passengers** (aside from the driver), this will save you money and it also means that families can travel together
- **for the transport of the disabled**, there is a Minibus Mercedes especially equipped to hold wheelchairs with a hydraulic lift and electric ramp, to help those who have difficulties or are handicapped.

NB: VeneziaPortaEst also has a **Welcoming/Information Desk inside the arrivals hall at the "Marco Polo" Venice Airport (VCE)** – open every day until midnight where guests can also have **further assistance** (for example for lost luggage) **or for paying for transfers with your credit card.**

Booking transfers with us to and from Union Lido you can be sure of a warm welcome and an efficient service of accompaniment to your accommodation without having to worry about anything except enjoying your holiday!
