Union Lido cares particularly about separate waste collection. Throughout the entire Resort, we have arranged ecological islands and bins; we invite our Guests to use them correctly.

UNION LIDO prides itself on cleanliness.

The collaboration of our Guests is therefore essential to ensure the Resort remains clean. In the toilets, the sinks and washbasins must be used according to the instructions. Chemical toilets must be emptied in the appropriate drains, located near the toilets. Do NOT wash dishes in the private bathroom washbasins.

The soil at Union Lido has a sandy base that is highly permeable. We kindly ask Guests to help us to safeguard the turf, by refraining from digging holes or grooves, especially along the narrow streets.

Please also remember that it is absolutely forbidden to:
